Last Meeting

At our last meeting we had eleven attendees and two guests, Matt Birong and Julie Basol.

Our guest speaker was Matt Birong, one of our representatives to the Vermont legislature, and the owner of a restaurant in Vergennes. Matt was originally scheduled to make a presentation on one of his trips abroad, but difficulties between the projector and the computer brought that to a sudden halt.

With having the technical difficulties for his presentation, Matt agreed to come back at a later date for that presentation. Instead, he discussed the current issues before the legislature, including act 46 and the proposed TCI legislation, having to do with a "carbon tax" currently being considered.

Our other guest, Julie Basol, is the director of the Vergennes

Partnership. Since the Partnership was the sponsor of the Christmas decorations in the park, and since our club voted the park as a winner in our contest this year, Julie was at the meeting to collect a check for \$100. However, Linda Cook, owner of Linda's and The Men's Corner was also a contest winner, and so Linda decided to give her share of the winnings to Vergennes Partnership, thus we awarded a check for \$200 to the Partnership.

Mary explained that if the club were to dissolve, all charity funds would have to be distributed to charities as required by the law governing our 501(c)(3) charter.

Committees for the dissolution of the club have yet to be announced.
