Scott Gaines - President
Susan Burdick - Past President
? - Vice President
Tim Vincent - Secretary
Mary McKinnon - Treasurer
Fr. Yvon Sergeant-at-Arms**

Last week

There were twelve attendees at our Zoom meeting last week in addition to our VUHS Liaison, Xander.

Xander reported on the current status of happenings at the high school.

At the time of this newsletter, two of our civic signs have been installed — one on north Main street, beyond the police station and one on Panton Road, beyond Collins Aerospace. We are very fortunate to have the help of the city public works guys and their equipment to get these signs into the ground.

The third sign should be finished before the weekend. This still leaves the smaller signs to be mounted below the main signs that will spell out the website that will direct people to find the times and locations of the various civic clubs.

Tom will get these signs lettered and prepared to install.

After that, we will need two volunteers to install the website signs under the existing signs.

We discussed the rules for the upcoming Christmas decorations contest. All of Vergennes decorations will be viewed in person, and people from the five town communities outside the city are invited to take pictures of their decorated homes and submit them via our website for consideration. Prizes will be \$100 for first place, \$50 for second place and \$25 for third place. The winning business will have \$100 donated to their favorite charity.

Fr. Yvon is setting up a zoom meeting between our club and the club in Mexico that we hope will be the host club for the water project in San Jose de Monte Verde Mexico. That zoom meeting will take place on Thursday, December 3rd at 6:00 pm. A link is available for our club members who would like to participate.

Fr. Yvon is also trying to establish contact with a local company in Mexico that does water projects.

Mary reported that the Thanksgiving, food project that we shared with the Lions Club netted a total of \$900 to be donated to our local food shelf.
